Presenters' Information

Robin Atkinson is a Training and Development Specialist for KVC West Virginia. She has 21 years of experience in the behavioral healthcare field and began her career working with the MRDD population and at-risk families. In 1998, she was appointed as a Therapeutic Foster Care Coordinator with Action Youth Care. She began her employment with KVC in 2001 as a Family Service Specialist.

In 2003, she was appointed as Foster Care Coordinator for a five county area. She worked on recruitment and retention of foster homes in this area. In 2016, she was appointed as the Training and Development Specialist for KVC West Virginia. Today, she supervises over the foster care intake team, develops and presents training curriculums for foster parents and staff, and assists the foster/adoptive care team in numerous tasks. She conducts monthly orientation training for new staff and organizes/oversees most training regimes for KVC.

In 2009 and 2012, KVC honored Ms. Atkinson with the Leader of the Year award from the Alliance for Children Conference. Ms. Atkinson holds a Bachelor's in Psychology from Marshall University and a Master's of Social Work with specialization in Community Organization and Social Administration practice from West Virginia University. She is a Licensed Graduate Social Worker in the state of West Virginia.

Ms. Atkinson is a trainer on many different topics. Trauma Systems Therapy, MANDT, Positive Parenting with a Plan, ASAP 20, CPR/First Aid, ALiCE, PRIDE, Ethics, Foster Care, Away from Supervision, and Domestic Violence to name a few.

In her spare time, she enjoys spending time with her husband and three children, traveling, and watching sporting events.

Presenters' Information

Tiffany Mullens is a Supervisor/Therapist for Logan, Lincoln, and Wayne Counties. She started working for KVC initially in September 2001 as a Clinical Team Leader. In October 2008, she transitioned into the Home Finder Position where she trained and licensed foster parents and foster homes, completed home studies, and adoptions. In January of 2018, she was promoted to her current position as a Supervisor for Permanency Case Managers in Logan, Wayne, and Lincoln Counties. She practices therapy in Wayne County for KVC.

Tiffany grew up in Wayne County and continues to reside there. She received her Bachelor's degree in Psychology from Marshall University and her Master's of Social Work degree from University of New England. She has obtained her LGSW and is currently accruing training hours to become a Registered Play Therapist. Tiffany is also a certified trainer in Trauma Systems Therapy, MANDT, PRIDE, and CPR/First Aid.

Tiffany reports she enjoys helping children in families in her home county. In her leisure time, she enjoys spending time reading, going to movies, and spending time with her three children.

Presenters' Information

Brittany Sponaule is a Permanency Supervisor for KVC West Virginia. She has five years experience working in the social work field. Prior to KVC, she worked for Valley Healthcare Systems as a Service Coordinator, working with the homeless and mentally ill population in Fairmont, WV. She has also worked as a Service Provider through WellTree, teaching parenting classes and adult life skills to biological parents whose children had been removed from their care.

Brittany joined KVC in March 2015. As a Home Finder, she helped recruit and train new foster parents. She also did adoptions for children being adopted by KVC families. She has been promoted to Permanency Supervisor.

Brittany holds a Bachelor's Degree in Behavioral Science from Glenville State College and a Master's of Social Work from West Virginia University. She is a Licensed Graduate Social Worker in the state of West Virginia.
